

If Pigs Could Fly

Brian P. Madden

Oh! How I Wish
That Pigs Could Fly
With My Little Slingshot
I'd Knock 'Em Outta The Sky
Raise 'Em Up
In My Own Pig Sty
Oh! The Flying Pig Bacon
I Could Fry
Spicy Buffalo Wings
We Wouldn't Need
On Pickled Pigs Wings
We Could Feed
Flying Pig Ham Hocks
For Our Beans
And Flying Pig Fat Back
For Our Greens
Flying Pig Pork Chops
On Our Grill
And Flying Pig Spareribs
Oh! What A Thrill!

Or Maybe I'd Just
Raise 'Em As Pets
On Tiny Saddles
I'd Fly 'Em To The Vets
To Check Their Feathers
Their Ears And Their Eyes
Oh How I Wish That Pigs Could Fly
